

# **Open the Door to Opportunity! Becoming a MIBA Associate Member is the Key!**

## ***Associate Membership in the MIBA has its Privileges!***

### **Benefits of MIBA Associate Membership:**

- ✓ You'll receive excellent exposure to Missouri's community banks statewide. We actively encourage community banks to contact Associate Members when assistance is needed. Your membership can also help you acquire new clients and give you fresh ideas and resources to better serve your customers.
- ✓ Your company will be listed monthly in the MIBA newsletter by category in the Associate directory.
- ✓ The MIBA periodically will publish a company description or profile in the MIBA Newsletter. This information is published in the MIBA's Annual Directory and on the MIBA website as well.
- ✓ Your company will be entitled to reduced advertising rates in the monthly newsletter, annual membership directory, and on the MIBA website.
- ✓ You will have an opportunity to submit timely and informative articles, of a general nature, to the MIBA newsletter. Articles too long for publication in the newsletter body may be used as inserts. You'll also receive special rates for advertising in the MIBA Newsletter.
- ✓ The MIBA Annual Directory can greatly assist you in prospecting! Bank and officer names, addresses, telephone and fax numbers of community banks are included. Associate members have access to membership mailing labels.
- ✓ When exhibiting at the MIBA Annual Convention, you will receive your mailing 3 weeks prior to non-member vendors to allow you first choice of booth space. Also booth space fee is substantially discounted for MIBA associate members.
- ✓ Associate members have the first opportunity for function sponsorships and speaking opportunities.
- ✓ As a paid exhibitor at the MIBA Annual Convention, Associate Members are afforded one free "full registration" to all convention functions (an approximate \$500.00 value).
