

Associate Membership in the MIBA has its Privileges!

Benefits of MIBA Associate Membership:

- You'll receive excellent exposure to Missouri's community banks statewide. We actively encourage community banks to contact Associate Members when assistance is needed. Your membership can also help you acquire new clients and give you fresh ideas and resources to better serve your customers.
- Your company will be listed monthly in the MIBA newsletter by category in the Associate Member Resource Guide.
- The MIBA periodically will publish a company description or profile in the MIBA Newsletter. This information is published in the MIBA's Annual Directory and on the MIBA website as well.
- Your company will be entitled to reduced advertising rates in the monthly newsletter, annual membership directory, and on the MIBA website.
- You will have an opportunity to submit timely and informative articles, of a general nature, to the MIBA newsletter. Articles too long for publication in the newsletter body may be used as inserts. You'll also receive special rates for advertising in the MIBA Newsletter.
- The MIBA Directory now lists ALL financial institutions in the state of Missouri, in addition to MIBA members. Associate Members will receive one of the directories with the option to purchase more at the member rate. These directories will also include financial information for all institutions, as well as officers, addresses, telephone and fax numbers. Advertising in the MIBA Directory is available to Associate Members as well. The MIBA Annual Directory can greatly assist you in prospecting! Associate members may also request membership mailing lists.
- Associate members have the first opportunity for function sponsorships and speaking opportunities.
- Booth space fee at convention exhibition is **discounted \$300** for MIBA associate members.
- MIBA associate members will receive the exhibitors prospectus 3 weeks prior to non-member vendors to allow you first choice of booth space.
