Take It To The Limit Lobsterfest Reception, Dinner and Dancing, Sponsored by KBS

Wednesday, September 12. 6:00 pm. Granada Ballroom.

Enjoy unlimited beverages and a lavish, all you can eat lobster buffet! This evening's entertainment is brought to you by Event Concepts, Inc. and features the electrifying and renowned Eagles 1994 reunion concert, "When Hell Freezes Over" using giant screen imagery, enhanced sound and night club lighting. This is as close to a live Eagles concert as you are ever likely to get! Don't be a lonely Desperado (1973), instead Take It To The Limit (1975) and get out on the dance floor before you hit the bar and enjoy a Tequila Sunrise (1973). Tonight Live Life in the Fast Lane (1976) before too much of the evening is Already Gone (1974). This party holds more promise than Hotel California (1976), so hurry up and ask the person sitting down to dance. Don't believe their Lyin' Eyes (1975)... you know they want to dance as much as you do!
