

Expanding technology is fueling a revolution in services available to community bank customers. Make sure your bank is on the front lines.

ICBA has partnered with RSM McGladrey to provide a broad-based, comprehensive, strategic program for community bank information technology officers. RSM McGladrey's Technology Advisors have developed this unique program to help community banks manage and maximize technology investments and achieve focused strategies to meet both increasing customer demand and rapidly changing security requirements.

ICBA's Certified Community Bank Technology Officer (CCBTO)

This content-rich IT Institute complements ICBA's certification program for community bank technology managers. All attendees have the opportunity to become a Certified Community Bank Technology Officer after successfully completing the required coursework, case studies and on-site exams.
